This document contains the following sections:

- Overview
- Understanding the data
- Data fields
- Notes

A: Data

Data Fields	
Area code	Government code identifying the police force area
Police force	Name of the police force
Region	Region the force is located in
Population	The population under this force jurisdiction (mid-2018 estimate from the ONS)
Right to Know A	Number of times Right to Know was used
Right to Know D	Number of disclosures made under Right to Know
Right to Ask A	Number of times Right to Ask was used
Right to Ask D	Number of disclosures made under Right to Ask
Right to Know %	Percentage of Right to Know applications disclosed
Right to Ask %	Percentage of Right to Ask applications disclosed
Right to Know app	Number of applications made as a ratio of the population in the police force area
Right to Ask app	Number of applications made as a ratio of the population in the police force area
Reasons not incl	Reason the force wasn't included in the data table
Notes	
-	Indicates that the data wasn't provided to the HMICFRS by the police force. It does not mean the data is incorrect.
Can't Split	Indicates that the calculation could not be made due to missing data.
Blue column headers	are Bureau Local calculations.
The population data per police force is from mid-2018 and was published in October 2017. https://www.ons.gov.uk/peoplepopulationandcommunity/populationandmigration/populationestimates/articles/2018midyearpopulationestimates/2018	
The Right to Know and Right to Ask data covers the year ending June 2017 and was published in October 2017. The Right to Know and Right to Ask data published by the ONS comes from the HMICFRS.	
The ONS and HMICFRS advised against combining figures for Right to Know and Right to Ask as they are not comparable.	
If you want to get in touch about this data email bureaulocal@tbij.com
